The Puffin Foundation
Grants Department

Hello Grant Administrators,

My name is Michael Goi, and I work in the motion picture and television industry as a director, producer and cinematographer for shows such as "American Horror Story", "The Rookie: Feds" and "Avatar: The Last Airbender."

I am writing today in support of a talented young director who has applied for a Puffin Foundation grant: MORGAN HAMMEN. Morgan has interacted with me for the last four years and has demonstrated that she possesses the vision and tenacity to succeed in this industry. Her clarity of storytelling skills is complemented by her grasp of the visual language, and I feel that she is on the verge of well-deserved recognition.

Morgan's current film project, "The Bad Guy," is her most ambitious endeavor to date. As her script and look book indicate, she is well-prepared to bring a distinctive style and sensitivity to this drama of topical interest. It interweaves personal character objectives with events that reflect the turbulence of the world we live in, and does so in a fresh and compelling way.

I fully endorse Morgan Hammen's talent and her passion for this project, and I encourage The Puffin Foundation to award her a grant to be used for the production of "The Bad Guy."

With regards,

Michael Goi
